**Private message from Master Yu:**

“At all times the great men and women were sent to the Earth to do what was necessary in order to shift the consciousness of the universe. When Buddha was needed, he was sent. When Jesus was needed, he was sent. When Krishna was needed, he was sent. When Muhammad was needed, he was sent. Now you are needed, and you were sent. You are not only the answer you’ve been looking for; others are also waiting for you. There are people whose lives are waiting to be changed by you. And here are the whole world and millions of people, and we are all connected - and we all are waiting for you. Now, when you know about that, there is no turning back. Let the knowledge of this powerful seminar illuminate your way ”.
